Comments

Beautiful canapés, delightful, wonderful. These are some of the comments from my guests.

We were absolutely delighted by the quality of service we received for my birthday celebrations. The buffet food was amazing and beautifully presented and all our guests commented on how delicious it was. Thank you for taking all the work and stress out of our perfect day

Have already recommended you to some friends. Would definitely use your services a gain

Thank you so much for doing such an amazing job with the catering for our wedding. The food – as always fantastic and everyone was full of compliments and asking where we found you! Thanks also for all your help making the day go so smoothly – there's no way we could have thought through the day so clearly without your plan and organisation. The tables looked great and thanks for all your attention to detail. Thanks a gain so much – it was a wonderful, unforgettable day. All our love and best wishes

Excellent catering added greatly to the enjoyment of the evening

Everything was great and all our guests remarked how lovely the food was. Thank you

Faultless in every way. Efficient great value service. You'd be a fool not to use The Dining Room for any event

Thank you both.

The canapés were above and beyond. Positive feedback for all guests. Wonderful service. Thank you so much and will recommend to all.

From start to finish every aspect of your service was superb. Thank you for helping with the big day and making it all go smoothly. Will recommend and use you again. A big thank you for all your hard work, the food, service; everything was brilliant.

Thank you very much.

We found the last pieces of chicken were rather 'bitty'. There was no beef left (although my husband had ordered beef). We think our guests may have forgotten what they ordered.

Thank you for your contribution in making the celebration successful. I will have no hesitation in recommending your services to friends and family.

A very professional service and delicious food.

I was able to enjoy the party knowing that I didn't have to worry about the food. Many guests commented on how good the bread was. We didn't need as much of the pasta and rice salad.

Many thanks for all your hard work. We enjoyed the food and had a great day.

10/10 and a gold star

All good. Thank you

Fantastic and amazing food. Very professional service. Mark and Julia made entertaining stress free and would definitely recommend

As ever, a great night made by your catering.

I chose badly. The black cherry cupcakes did not go down well. A lot left and some wasted. Possibly too "chunky" for the rest of the food

Exceeded all expectations. All our guests raved about the food and service

Allowed me to have a stress free pre-Christmas party for 22 years. Food and service of the highest quality and standard.

Brill. Have already recommended you

Everyone commented on how nice the food was; it was a seamless service which took all the stress away from us

Service staff were very friendly and efficient. We get lots of compliments on the food. The evening food was also very good.

An excellent lunch was enjoyed by all, particularly Helen. Thank you for making Helen's day such a happy birthday.

Lovely day

Lovely food – served with a warm and welcoming way. Perfect for a happy occasion

Excellent as always. Great finishing touch. Will always use at our events and encourage others also.

We are just so grateful to you both. Thank you

A good professional service. Thank you

Thank you very much indeed. You were very kind and well organised. Everyone enjoyed all the catering. We had a lovely party

Thanks. Chicken buns were lovely. We had a great day and your help is much appreciated especially accommodating last minute guests and special requirements

Thank you for all the help you have offered to us with the wedding. From the canapés, to sharing your wisdom, to making sure the bride got there on time. You really have been amazing

Everyone remarked on the good quality of the food and many thanks for giving us such good service

Excellent says it all.

Very helpful planning the meal.

The platters were cleared and everyone was very complimentary on how tasty everything was.

I would like to thank you personally for your work last Friday. It was a difficult day for me and you played your part in helping the day go as well as it could.

The way forward. Saves a lot of trouble!

Everyone commented on how wonderful the food was, completely took the stress away from us. Fantastic service. Thank you so much

The entire service was wonderful from start to finish

Just sending you a BIG thank you to you both and all your wonderful staff. Had the best day ever. Much love

Wonderful food and service. You really played a huge part in making our day perfect. We really appreciate everything you have done – all the great advice. Thanks

Everyone, without exception, enjoyed the food you prepared. Thank you

The food was excellent and so were the service., the presentation, punctuality and the clearing up

I would ask for slightly more next time, especially desserts

We had a fantastic christening day and everyone commented how lovely your food was. Definitely will use you again. Great personal service too.

You may have been running around like the proverbial fly – but you created a seamless pop-up buffet and it was excellent

What can we say but simply fantastic. Thank you so much for all your efforts – the food looked and tasted wonderful and the service you provided was just brilliant – friendly and efficient.

Lots of really positive comments from our guests

It was a pleasure to have a reliable service with excellent food and service. It meant we hadn't to worry about an important part of the evening. Thank you so much we would not hesitate to use you again

Thank you so much – catering was all we could ask for and enjoyed many compliments. Excellent value for money. Delicious food.

What a great success – everyone is sending us cards telling us what a great party it was. Your food was very much appreciated by all. I look forward to your catering for our 50th anniversary

Many thanks for your gorgeous buffet on Saturday. As always, the feedback from guests was very positive. Many thanks and best wishes.

I just wanted to express my thanks for the wonderful catering service that you provided for Mum at a very difficult time. The communication and care was excellent from the first phone call. It was lovely that you were so flexible and listened to our needs. The delivery was excellent too. Walking into the room that day we were so impressed with your impeccable presentation and attention to detail. Your manner was discreet, yet personal and you helped to provide and enhance a welcoming atmosphere, where lots of lovely memories about Dad were shared. People have commented to me how impressed they were with your service. Thank you so much.

Fantastic party helped by your help. Lots of positive remarks on your food. Many thanks.

Excellent food and service again

Absolutely super professional job. The only thing we regret was not having a bigger doggy bag.

All the food was excellent and beautifully presented. The vegetarian lasagne was the best we have ever had. The coffee at the buffet was slightly disappointing because we prefer the real stuff! However, I expect that would add an extra cost. Many thanks for a great job.

We and our guests enjoyed the buffet. Thanks for providing an excellent menu for our specific needs. If the buffet could have remained available until the end of the evening, perhaps our guests might have revisited to take more food.

Everything was great.

Your speed of response to my emails was very much appreciated. It was comforting to know that any request or query would be answered quickly. Punctuality was excellent for both delivery and collection. It was really good to have high quality crockery and cutlery, fabric tablecloths and stylish platters. Small touches like labelling added to the quality feel.

There was a very wide section of food choices on the menu – something for everyone. In particular the rice salad was outstanding – so fresh and tasty. The gluten free crostinis were also delicious, but the gluten free pastry on the ratatouille tartlets was too hard. The ONLY criticism we can make. Everyone commented oh how delicious ALL the food tasted as out 90 year old dad mentioned to you. It really made the event something special. Thank you for a great service.

Can't remember exactly what we had, but it was all excellent. Thank you for being flexible and patient while we sorted things out

You made the night stress free for us and everyone was delighted with the food and service. Many thanks indeed

We loved it all and can't wait to use you again! They finished it off cold and said it was just as good, especially the cannelloni. Many thanks

This was superb. Many thanks. Of some items there wasn't enough! Gannets!. We could not have enjoyed it more.

The only comment I would like to make is a little less pasta salad and more potatoes

All gone. You made catering for a crowd so much easier – I could talk to my guests instead of managing the kitchen – bliss! And no washing up! and reasonable priced. Excellent quality and presentation. Many thanks

Thank you very much – really lovely food and lots of compliments on the day. Next time can we have a word about the weather please!"

Many people commented how lovely and unobtrusive you both were and how excellent the food was.

100% all sound. Here's to the next time. Best wishes.

Everything perfect. We will and have recommended you. Keep up the great work.

All our party guests loved the food very much. We passed your details onto others.

Thank you for the fabulous food on Saturday evening and Sunday lunch. Lovely comments about your food. Hope to be sampling your food again soon.

Thank you efficiency and attention to detail. Everyone enjoyed the food and you made it so relaxing for us to spend time with our family and friends It was a pleasure to meet you both.

Many thanks for the recipes which you kindly forwarded to us together with details of the cookbook. May we express our heartfelt thanks To you for your wonderful catering and organisation of the buffet lunch on Saturday, which was very much enjoyed by all. It was an invaluable help to us that we could sit back and enjoy the occasion without the worry of preparing / serving the food or indeed the washing up afterwards ! It was a truly memorable day for us for which you made such a significant contribution.

Fabulous as always

Thank you for making our re-union so successful. Saturday evening was enjoyed by all. It was lovely that you removed all the crockery and saved the remaining food.

Thank you for the excellent day enjoyed by all.

Really, just one word to describe it – excellent. We were amazed by the choice, the way it was presented and the quality and taste. The service you provided was great from the first consultation right through to taking away the dirty dishes. We would certainly use you again and recommend you to others.

Excellent service. Received lots of comments about food. Very helpful company staff.

Perfect

Thank you for making a special occasion even better. Excellent food, price and service. Will definitely recommend and use again.

Looking back, feel savoury flans should have been sliced.

High standards and quality are being maintained. Very satisfied.

As always very good, reliable and appreciated.

Many thanks for last Friday – the food was excellent and everyone enjoyed it. Thank you once again.

What can one say? Everyone enjoyed it and were very complimentary. Many Thanks

Thank you so much to you and your wife for the beautiful catering you provided for my party on Saturday. Everybody has commented on the superb quality of the food.

We were very impressed by the complete service. Many compliments were received by our guests and everything contributed to a great 70th birthday.

Everyone loved the variety of salads, finding them most unusual. We knew we could rely on great food and good service from our experience last year. You have already been passed to a third party. Thanks again

Everyone thought the food was absolutely brilliant and I had nothing but positive comments. I certainly hope to use The Dining Room in future. A fantastic service which takes the sting out of providing food for a lot of people. Many thanks

Many thanks for the fabulous food, great service and your prompt attention.

10 out of 10. Great food, excellent service as always. Will definitely use you again if we have any more kids!

Thank you

I didn't get to taste all of your food but it all looked fantastic and there were lots of comments about how good it was. Your service was professional and the food I did have was excellent and I would have no hesitation in recommending using you again. Thank you.

Food excellent

Lovely tasty food. People enjoyed it very much (we are finishing off the left overs)

Thank you both for a first class service from start to finish.

Fantastic. Veg samosa fantastic

Top quality service with a down to earth feel. Great preparation and pre-event advice.

Consistently excellent – and such good value. I shall recommend your service wherever possible.

Probably the easiest questionnaire we've ever had to fill in – the verdict of all of our guests (and of ourselves) was that the food was outstanding. Almost every text, email and card afterwards mentioned how delicious the food was. Many thanks

We really should have had the coleslaw at lunchtime because we struggled with the amount of food and that extra salad would have helped. Without my ham, pate and cheese and biscuits, meringues and strawberries the health appetites at the party would not have been satisfied.

We are not sure but we think we may have run out of food maybe people too greedy at the start because it was so good. We had a great time, many thanks.

Full marks! I can't think of any ways in which the quality of your service could be improved.

Thank you for contributing towards a lovely day! I had lots of comments regarding how great the food was – especially the lamb curry

Fantastic food – all of our friends commented on how excellent the food was. Thank you again.

Everyone enjoyed the meal which was well presented and beautifully cooked. The choices offered to us were varied and covered all tastes and 'special needs'. Thank you very much.

Everyone was extremely complimentary about the variety and quality of the canapés provided. We greatly appreciated the care and effort that went into the presentation of the food you provided.

Thank you both for all you did to make our golden wedding celebrations so successful.

Everything was excellent, all guests commented on food.

Everything about the service you provided and food was fantastic. Thank you so much.

Everything was brilliant – thanks

We are very happy to recommend and hope book a dinner with yourselves.

Delighted with food and service. In the past I have always catered myself for similar numbers, however having the time and responsibility taken from me I realised that you and your wife's service realised me to become a relax hostess. Thank you

Fab as usual

I was completely satisfied in every respect. Lots of complimentary comments from those attending – a positive response in every way from me.

Superb service and food. Very impressive indeed.

The quality of the food and presentation were excellent, much appreciated by our guests and set the mood for a wonderful evening. Many thanks

Would have liked to be informed that the buffet was closing.

Thanks for help making Sienna's christening special; everyone loved the food.

Thanks so so much for helping us celebrate our son's christening. The buffet was perfect, really appreciate all the effort it must have taken.

The party was a resounding success not least because of the wonderful food you produced for us.

Everyone commented on how really lovely the food was and we certainly will have no hesitation in recommending you. The bonus – and a big bonus – for me was no shopping, no preparing, no washing up and consequently no stress and worry. So thank you sincerely for that too.

Just thought I had let you know that we were all absolutely bowled over by your food tonight. Everything looked so tempting (great colour combination) and was so delicious. As we usually self-cater it was a real treat to have someone else cook for us and we all appreciated the care and attention which had gone into the dishes. Although every single thing was delectable, the lamb curry, couscous and the carrot and orange salad came in for a lot of praise and we thought the cheesecake was heavenly – so light, tangy and non-cloying. The apple tart wasn't half bad either of the profiteroles and their lovely chocolatey sauce. So than you you so much for all your efforts. We were hugely impressed. You offer a tremendous service.

Once again can we sincerely thank you for the excellent food and excellent service – everything was first class. We wish you all the best in the success of your venture – and will of course continue to recommend

Thank you so much for the food on Sunday, it was delicious and made the day really special

Quality first class, however, portion sizes of main dishes too small. Rice with curry would have helped.

The whole thing was wonderful. Many thanks for keeping it short notice. I hope there is an opportunity to do it again. Very best wishes to you and the family.

Only comment was I should have ordered hot potatoes not cold

Thank you for a fabulous evening, enjoyed by all

Thank you for making as 'special' day even better by not having to worry about any aspect of the catering and it really lowered the stress levels. Everybody offered favourable comments about the fabulous food.

Excellent all round. Would most definitely use 'The Dining room' again and again.

Great to have the stress of catering taken out of a difficult day. Hope next time it will be a happy occasion.

I should have ordered more, the food disappeared quickly
