Hope we will see you again next year.

Thank you for all you gave so generously to allow us to celebrate together. I'm sure you know that the food was excellent

Wonderful, fabulous service. Always a pleasure.

Hope we will see you again next year.

Excellent as usual guys. Thanks for all your help.

Just wanted to say thank you so much. The food was fantastic.

Thanks guys, excellent as ever! I've got next year booked

I would like to express my appreciation and gratitude for the service provided by your company during the visit of our Chairman and CEO. This was a very special visit for us and , along with others, your company ensured the visit was a success. You performed in a very flexible and professional way which was recognised by our Executive Leadership. We look forward to working with you again.

The comments regarding the food were all brilliant.

Great service. Thank you

Thanks guys. Excellent as ever.

Brilliant food and service. Looking forward to working with you again.

Thank you for a professional organised and delicious catering service. It really made the event. We were really impressed with the range of vegan and vegetarian

Very enjoyable food, everyone commented on the quality of the food.

A lovely meal – really nice quality food.

Thanks again.

Lovely.

Very professional service and kind enough to supply recipes

Beautiful as usual

Everything was wonderful. Thank you very much. It was the only time we were all quiet during our Christmas party.

Thank you for a great service. Best salads I've seen.

Very nice as usual

Did not expect sandwiches to use thick bread and crusts. It said 'scone' (not half) needed sealed pots of jam and cream. Cakes were lovely but should have said 'mini' Teapots do not fit under flasks very well. Liked crockery and presentation.

Thanks Mark and Julia, we are booked in for 14 November next year; please put us in your diary.

Many thanks for agreeing to cater for our event. It all went very well and the food and your service was excellent. Hopefully we will have another opportunity to work together in the future.

Mixed feelings. The quality of the food was good and everyone commented that they had enjoyed it. Vegan, vegetarians and gluten free guests were very pleased with their food. However, we did feel as though the service could have been friendlier and more relaxed. My only negative was that the student lunch/sandwiches boxes kept popping open – this resulted in students rejecting them – which resulted in waste. Everything else was fab.

Thank you so much for all your help.

The event was an extremely important for us and it was vital that we got everything absolutely right. I have to say that I thought the food and service hit the mark. The feedback from our Saudi guests was very positive and they appreciated the British home-made touch. Once again, many thanks for helping to make our event such a success. Needless to say that we would certainly not hesitate to book you again in the future.

Thanks again. It was delicious and you have been highly recommended to quite a few who have been asking.

We were blown away by the service you provided. The food was excellent and I would definitely use you again. Many thanks once again.

Many thanks

Fab as usual

The food and service was excellent. We received a lot of positive comments from our guests.
